The Lakes Committee is an open committee at the Griffith Chapter. We meet at 6:00 pm on the third Monday of the month. We have a 3-year management plan for the lakes. Questions and Answers: Fishing our Lakes

Q: A member asked, “When can we fish on our 3 lakes?”

A: Open fishing is normally 24 hours a day and 7 days a week. However, special and scheduled events, can require that some or all the lakes be closed for a specific time period. To check, visit our website (www.giwla.org) or read the chapter’s newsletters.

The front lake – Jordan – Has no scheduled events that require its closing at this time.

The back lakes – Russell and Wilson are closed for scheduled, weekly trap shooting events. These are:

- Tuesdays (Spring, Summer and Fall trap season) 2:00 PM to 7:00 PM
- Thursdays (Spring, Summer and Fall trap season) 2:00 PM to 10:00 PM

Periodically, the Lakes Committee will have special programs for membership or others such as Take a Kid Fishing Day. Prior to the Catfish Derby in July, all lakes will be closed for fish stocking.

Finally, the Chapter may have special events such as 3-D Archery, that will require closing of the back lakes (as well as the shooting range) for a day or two. The first weekend in May was such an event for a facility and grounds cleanup program.

The Chapter tries to keep our three lakes available to members as much as possible. However, it is each members’ responsibility to stay up-to-date on Chapter programs and activities that may affect this.

Q: A member heard there may be a day set aside for members to get together for fishing and comradery. Is this going to happen?

A: Yes, it is. The Chapter has set aside Saturday, May 25th for just such a day. It will start at 10:00AM and continue until ??????. We ask that everyone BYO favorite beverage and a dish to pass. Meat will be provided (hamburgers and hotdogs). So, come in and bring your family for a day of relaxation and fun with fellow members.
